

Forever Home Donkey Rescue

Forever Home Donkey Rescue is a private sanctuary and not registered as a 501c3 non-profit organization with the Internal Revenue Service. We are located in Benson, AZ, which is east of Tucson. The donkeys, mules and horse that reside here thank you for visiting.

Forever Home Donkey Rescue welcomes volunteers to come out and play with our residents. Our animals love to be brushed and scratched. If you live in or near the Benson area and have some time to spare, please contact us about coming out. Older children are welcome to help groom, but younger kids are encouraged to just look and pet. Adult supervision please! If you don't have the time to volunteer, donations are always appreciated. Since we are a private sanctuary, we do not receive financial help from anyone but our donors.

Directions:

We're 12 miles north of I-10 at exit 306 (Pomerene exit), which is the east Benson exit. You'll go thru Pomerene, turn right at the stop sign & keep going out in the boonies. You'll cross over a long flat bridge across a wide wash. About 2 1/2 miles past the bridge there will be a bank of mailboxes on the left. There is a sign for Gammon's Gulch & the street sign, Rocksprings Rd. Turn left past the mailboxes, & stay to the left past Gammon's Gulch, which is a small movie site, surrounded by a wooden fence. You'll drive thru a small wash, & we will be the next drive on the right. The county # 360 is on the fence, & when you turn in the drive, you will see 2 prickly pears on the gate made from horseshoes, & a "You're entering Donkey Country" sign.

John and Tish Hiestand 360 E. Rocksprings Rd. Benson, AZ 85602 520-212-5300
